

CH24 | WISHBONE CHAIR

HANS J. WEGNER

CARL HANSEN & SØN

DESCRIPTION

The very first model Hans J. Wegner designed exclusively for Carl Hansen & Søn in 1949, the CH24 Wishbone Chair, has been in continuous production since its introduction in 1950. When designing the CH24, Wegner chose to combine the back- and armrest into a single piece. To give stability to the steam-bent top and ensure comfortable support, Wegner developed the characteristic Y-shaped back that the Wishbone Chair is named after.
